Espumil® foam base

An innovative, lipophilic foam base

Espumil® allows for a simple leave-on application of lipophilic APIs and DCIs* on difficult-to-treat areas without dripping. Espumil®, like other Fagron Advanced Derma bases, is designed according to the latest insights into topical vehicle safety and maximum solubility properties.

Benefits

- Creamy formula with minimal greasiness
- Light skin feel, drip-free
- Gentle formulation without gaseous propellants
- Ideal for hair and skin
- Formulated without fragrances, dyes, parabens, mineral oils, SLS and ethoxylates

Example compounding formulations in Espumil®

Prostaquinon™ 3%	Minoxidil 5%
	Tretinoin (vit. A acid) 0.05%
Finasteride 0.1%	Latanoprost 0.005%
	Minoxidil 5%
Ketoconazole 2%	Clobetasol Propionate 0.05%
	Minoxidil 5%

NDC No. 51552-1339-05 Size 500 mL

Specific Skin

Fagron foam dispenser

Foam-activating packaging to transform Espumil® base into a foam without the use of gaseous propellants.

Each pump dispenses a single dose of 0.74 mL.

Item No. 806181 Size 100 mL

Fagron Advanced Derma The total solution

A line of ten personalized pharmaceutical compounding vehicles that provide continuous care for the skin and enhances maximum patient comfort for optimal compliance and results.
