

Fagron Advanced Derma

Leading advanced dermatological care

The total solution

With Fagron Advanced Derma, patients are guaranteed a total solution for both customized prescription compounding and basic skin care based on:

- Vehicle design according to the latest scientific insights into the safety and tolerance of topically applied ingredients

- Different bases for different skin types
- Suitability for vulnerable, sensitive skin
- Optimal compatibility with a broad range of APIs and DCIs
- A formulary containing different formulations for easy prescribing and compounding by indication

Vehicle benefits

Especially suitable for

Cleoderm™

Skin rebalancing hydrophilic cream base

- Functional vehicle with selected ingredients that make it the ideal choice for compounding topical treatments for affected and sensitive skin
- Formulated from patented Cleome gynandra leaf extracts with the addition of hyaluronic acid, bisabolol and biomimetic peptides
- Unique combination of ingredients provides anti-inflammatory and humectant properties as well as sebum reduction
- Highly spreadable with light skin-feel
- Readily absorbed
- Non-comedogenic
- Dermatologically tested

- Oily skin
- Dehydrated skin
- Affected skin

Emolivan™

Natural W/O cold cream base

- Innovative water-in-natural oil cold cream base
- Borate-free formulation with natural oil-based emulsifier
- Rich in omega-6 and vitamin E
- Non-greasy skin feel and readily vanishing
- Excellent protection and hydration effects
- Unique water-absorbing property for flexible compounding
- Compatible with a broad range of APIs and DCIs

- Dehydrated skin
- Very dehydrated skin
- Affected skin

Fitalite™

Natural gel cream base

- Hydrophilic gel cream base
- Formula with natural emulsifying phytosomes
- Elegant, light, non-greasy skin feel
- Gentle moisturizing properties
- Non-comedogenic
- Compatible with a broad range of APIs and DCIs
- Suitable for application to the eyebrows and eyelids

- Oily skin
- Balanced skin
- Affected skin

Nourivan™ Antiox

Antioxidant O/W cream base

- Hydrophilic vanishing cream base with antioxidants
- Nourishing and gentle formula
- Pleasant, soft skin feel
- Excellent hydration effect
- Rapidly vanishes into the skin
- Non-comedogenic
- Contains natural antioxidants, protecting APIs susceptible to oxidation

- Balanced skin
- Dehydrated skin
- Very dehydrated skin

Fagron Advanced Derma
